

NITIN SURYA IMADABATHUNI

FULL STACK DEVELOPER

813 - 797 8312 | nitinsuryaimadabathuni@gmail.com | Tampa, FL

EDUCATION

Master's Degree

- Computer Science
- University of South Florida
- Tampa, May 2023

Bachelor's Degree

- Computer Science
- Vignan University
- Guntur, May 2019

SKILLS

- JavaScript (2+ years)
- TypeScript (2+ years)
- React JS(2+ years)
- Angular JS(2+ years)
- Node JS(2+ years)
- C# (2+ years)
- HTML (2+ years)
- CSS (2+ years)
- JSON (2+ years)
- REST API (2+ years)
- AJAX (2+ years)
- Responsive web design
- MS SQL (2+ years)
- jQuery (2+ years)
- Bootstrap (2+ years)
- Relational database
- Web development techniques
- Problem-solving
- System Integration
- Agile
- Communication
- Collaborative

PROFILE

- Full Stack Developer with over 2 years of experience in developing and delivering web applications using React, Next.js, Node.js TypeScript, TypeORM, PostgreSQL, RESTful APIs, NGRX, HTML5, CSS, JavaScript, Java, Python, Spring Boot, AWS, Git, Jira and other technologies.
- Skilled in implementing unit testing frameworks, collaborating with cross-functional teams, and experimenting with new tools and technologies.
- Achieved a 50% increase in performance and a 90% user satisfaction rate for a web application that allows users to manage their health care plans online.

EXPERIENCE

Software Development Engineer

WIPRO LIMITED | HYDERABAD | 06/2019 – 07/2021

- Collaborated with cross-functional teams including engineers, developers, architects, DBAs, and product managers to address technical needs and challenges.
- Conducted thorough analysis of business requirements, leading to the design and implementation of new features in complex systems.
- Developed and maintained reusable components in Angular, Java, C#, HTML, NodeJS, CSS, JSON, Bootstrap, and other emerging technologies for various applications and projects.
- Managed Restful APIs, controlled access permissions, and monitored performance to ensure optimal responses for front-end applications.
- Actively participated in code reviews to ensure high performance, scalability, and adherence to best practices.
- Proficiently worked with both SQL Server and NoSQL Databases, handling tasks such as data retrieval, updates, and insertions.
- Demonstrated expertise in utilizing stored procedures, views, and other database components.
- Provided support to senior developers in areas such as client-side development practices, standards, compliance, QA, and innovation.
- Applied debugging techniques and innovative web development practices to resolve complex development issues.
- Implemented advanced technologies including JavaScript, React, Vue.js, MVC .NET & HTML5, XHTML, client-side scripting, and other application programming languages.
- Developed backend systems using PHP, Node.js, Laravel, Flask, Express, Django, and containerization technologies.
- Proficient in utilizing version control systems (Git, SVN) to manage codebase and track changes.
